Abundantia's Abundance Empowerment

www.spiritualhart.co.uk

Abundantia is the Roman Goddess of abundance and prosperity. Her name literally means “plenty” or “overflowing riches”. She represents the idea of abundance or riches personified and deified.

Let Abundantia help you with this empowerment, bringing you all the abundance you need without greed and free from ego. Her attribute is a cornucopia (horn of plenty), with which she distributes abundance and prosperity to mankind. She knows what you need and desire, so manifest your intentions with her.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the Abundantia’s abundance empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember Abundantia will always be there for you when your life lacks abundance.

Abundantia's Abundance Empowerment

I was compelled to channel and write this manual as a lot of people around me seemed to be struggling. Not just financially but in many aspects of their lives, particularly married couples who had lost that spark in their marriage and it had simply become a rut. I wanted to give them something to focus on, in order to fill their lives and bring some love and luck back into their lives. Not only did I create this for them I created it for all those others out there who have forgotten how to live and smile?

Blessings
