Angel Astara's Dreams and Desires Empowerment

www.spiritualhart.co.uk

The Angel Astara wants to help you fulfil your dreams and desires and to raise your standards. It is not selfish to want a better life, the more you receive the more you can hopefully bring to others. There's a reluctance in humans to ask for help, so take advantage of this help now and know you will be.

Let Astara help you with this empowerment, bringing you what you deserve, not for greed but because you are entitled to it.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the Angel Astara's dreams and desires empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember Angel Astara will always be there for you to help your dreams and desires come true.

Angel Astara's Dreams and Desires Empowerment

I was compelled to channel and write this manual as a lot of people around me had given up on life, and their goals had seemingly disappeared. In their eyes they lacked the ability to help themselves or the want to anymore. I needed to change this train of thought for them and make it easier to ask for help. Not only did I create this for them I created it for all those others out there who should never give up.

Blessings
