Angel Yvonne's Animal Connection Empowerment

I was compelled to channel and write this manual as a lot of people around me seemed to fear animals. I too had my fears of them when I was younger and I wanted to help others see past that, I wanted to help others see them as the wonderful creatures they are, without fear or hatred as they require love too. Not only did I create this for them I created it for all those others out there who need to see the true beauty of all life.

Blessings
