Avalokitesvara's Open Minded Empowerment

www.spiritualhart.co.uk

Avalokitesvara wants you to have an open mind and see other people's points of view. This will help you see their reasons and to help you have more compassion for their feelings. When you see another's point of view, you open the door to creative solutions.

Let Avalokitesvara help you with this empowerment, opening your mind to find the positive solutions when differences of opinion occur.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the Avalokitesvara open minded empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember, Avalokitesvara will always be there for you to help you see another's point of view with an open mind.

Avalokitesvara's Open Minded Empowerment

I was compelled to channel and write this manual as a lot of people around me were complaining about others actions. In their frustration they couldn't see beyond their own thought process which at times was quite narrow minded. Not only did I create this for them I created it for all those others out there who sometimes need to see another's point of view and open their mind.
