Epona's Crystal and Nature Empowerment

www.spiritualhart.co.uk

Epona is the fairy queen who can also help you with crystals. She brings a connection to the elemental realm and by taking this empowerment she will bring them to you to help and heal you as you need.

Let Epona help you with this empowerment, bringing you all the healing you need at this moment in time, physically, mentally and emotionally.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the Epona crystal and nature empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember Epona will always be there for you to bring you the healing you need.

Epona's Crystal and Nature Empowerment

I was compelled to channel and write this manual as a lot of people needed not only healing, but a new way of thinking about what is available to them if they open their mind? Not only did I create this for them I created it for all those others out there who need healing and a more open mind to its availability.

Blessings
