www.spiritualhart.co.uk

Isis wants you to keep a balanced life and you can do this more easily than you think? You already know which part of your life is unbalanced and you may feel tired or run down from this?

Let Isis help you with this empowerment, lifting your mood, morale and motivation and getting your balance back.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the Isis's keep your balance empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember Isis will always be there for you to help you keep your balance.

Isis's Keep Your Balance Empowerment

I was compelled to channel and write this manual as a lot of people around me seemed to be juggling too much in their lives and not taking enough time for them self. Not only did I create this for them I created it for all those others out there who need to take stock of their present way of living, remembering to balance their lives.
