King Soloman's Priorities Empowerment

www.spiritualhart.co.uk

King Soloman wants you to devote more time to your priorities. If you are confused about how to approach a project, or feel that you won't be able to fulfil your dreams just ask for his help. You will feel elated as you tackle things because your inner self will feel loved and cared for.

Let King Soloman help you with this empowerment, as you invest in your priorities, you invest in yourself.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the King Soloman's priorities empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember King Soloman will always be there for you to help you get your priorities straight.

King Soloman's Priorities Empowerment

I was compelled to channel and write this manual as a lot of people around me seemed to be shying away from what was so obviously beneficial to them? They had stopped seeing the benefit of putting more effort into their life and wondered why just going through the motions was not bringing them any rewards. Not only did I create this for them I created it for all those others out there who need to get their priorities straight.

Blessings
