Merlin's Divine Magic Empowerment

www.spiritualhart.co.uk

Merlin represents the old age sage type wizard, and was known as a powerful magician, spiritual teacher and psychic visionary. He is happy to give light workers a magical leg up, however he cautions that we use our “inner wizards”, in the name of spiritual service and not for self gain. Merlin only calls on those who have the eyes to see and the ears to hear.

Magicians and wizards play with moulding, sculpting, shaping and directing energy on purpose. It is certainly not for the squeamish, and it takes great courage to know you are creator, to be a purposeful and more fully awakened creator.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive Merlin's divine magic empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember Merlin will always be there for you when you need a bit of magic.

Merlin's Divine Magic Empowerment

I was compelled to channel and write this manual whilst working on a meditation with Merlin himself. I had a particularly good journey with him in which he gave me my own magic wand. As he showed me how to use it in my own healing sessions I thought “wow”, I really need to share this with others.

So here it is, I hope you enjoy it?

Blessings
