## St Germain's Violet Flame Empowerment

[www.spiritualhart.co.uk](http://www.spiritualhart.co.uk)

The conscious use of the violet flame is the only means that life has provided, by which all of us can free ourselves from our own discord and imperfection. This means to call to the, “Mighty I am presence”, and to produce the violet flame and visualize/feel the flame passing through your body and around it. This is the way we become free of our limitations. Eternal law is that all must purify themselves by daily use of the violet consuming flame. It is not possible for anyone to do this for you as you create your own imperfections. As you created them, you must purify them until all in you manifests perfection, then you will be free.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive St Germain's violet flame empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember St Germain will always be there for you when you need to be cleansed and free from imperfections.

## St Germain's Violet Flame Empowerment

I was compelled to channel and write this manual whilst working with various patients who were carrying a lot of negative energy and thoughts. Whilst negative energy can be removed, our thought forms need to be turned into positive thinking to move on in our lives more focused and happy. As humans we do tend to make a lot of mistakes along our chosen paths creating many burdens and imperfections, so I created this empowerment to help with cleansing, purifying and positive thinking to help all, I hope you enjoy it?

Blessings
