The Courage of Spirit Empowerment

www.spiritualhart.co.uk

Unfortunately there are those of us that lack the strength and courage to deal with every day life and the problems it throws at us. Sometimes the timid and the shy are classed as weak but this is far from true and they can be unjustly stereotyped. This stereotypical labeling leads the bullies among us to use it to their advantage making a persons life miserable. This empowerment when called upon will give you all the courage, strength and bravery you need to help you through your personal fears and situations.

Let spirit empower you and build your confidence to face and take on what holds you back, stifles you and stops you moving forward. Let them lift you in the most loving and caring way, filling you with the courage you need to move on positively.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the courage of spirit empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from the gift of spirit. Remember, spirit will always be there for you when you need courage.

The Courage of Spirit Empowerment

I was compelled to channel and write this manual at a time when a lot of people around me were being bullied and victimized as I myself had been in a working environment before. I'd had the strength and guidance to deal with my victimization but it was dawning on me that not everyone has the spiritual guidance I had been lucky to receive. After asking for spirits guidance and listening to their words it's a pleasure to bring this empowerment to all who need it, I hope you enjoy it?

Blessings
