Lugh's Persistence Empowerment

www.spiritualhart.co.uk

Lugh wants to help you with persistent actions and positive thinking so you can manifest your dreams with him. Let him help you to see the signs of your progress by letting go of any discouragement about what it is you need to do?

Let Lugh help you with this empowerment, and see your persistence pay off for you.

This is a free self empowerment and to call upon its help and energy simply take your self into a meditative state and say clearly and with pure intent –

“I ask that I may receive the Lugh's persistence empowerment, created by Dean Kingett, for my highest and greatest good”. (repeat x3).

You can use this empowerment as much as you like and whenever you need it. All I ask is that you pass it on to others so they too can benefit from this gift. Remember Lugh will always be there for you to help you persist in what you need or want.

Lugh's Persistence Empowerment

I was compelled to channel and write this manual as a lot of people around me seemed to be giving up on not just various projects, but on life in general as it was becoming too hard for them. Not only did I create this for them I created it for all those others out there who need to persist in all they are doing in order to reap their rewards .

Blessings
